Completion of Placement and Entitlement Issue Shortfall

The Company advises that it has completed a placement of 8,700,000 ordinary fully paid shares, under its 15% placement capacity, to sophisticated and professional investors at 2.5 cents per share, raising \$217,500. For each share subscribed for under the placement the Company will issue, subject to shareholder approval, one option to acquire a share in the Company, exercisable by payment of 5 cents each on or before 31 August 2013.

In addition the Company has issued 525,000 ordinary fully paid shares at 4 cents each, having received applications for the shortfall shares arising from the Company's non-renounceable entitlement issue which closed on 3 August 2010. The Directors will continue negotiations to place the remaining shortfall shares in accordance with the ASX Listing Rules.

Proceeds from the placement and entitlement issue shortfall will be used to fund ongoing exploration and evaluation at the Company's Mt Garnet Project, and provide working capital.

Please find attached and Appendix 3B and section 708A notice in respect of the issue of the placement shares and shortfall shares.
